turnkey interior contractors 

01

About us

At Steadfast we make your dream interior a reality. Steadfast is at the forefront of the fit-out interior design industry in the Sultanate of Oman. We help our clients to maximise the potential of their properties by transforming them into welcoming and stimulating environments.

Established in 1999 the company has marked a phenomenal growth over the years and carved a niche position in the fit-out industry. Over the years Steadfast has diversified into other areas like furniture manufacturing all the while retaining its core activity of interior decoration.

Our greatest asset is our team of professionals! With depth knowledge and expertise in transforming spaces, we create spaces that will work based on the requirements of our clients. Our state-of-the-art systems and processes allow our work to be delivered on time, while exceeding the expectations of our clients.

The trust that the clients place in Steadfast makes it one of the premier fit-out contractors in Oman.

02

Our Mission

Our mission is to be the premier contracting company in Oman by providing unparalleled quality, services and management enabling our employees to deliver an uncompromising excellence to our clients.

We are committed to behave ethically and contribute to economic development of Oman without hurting the environment all the while improving the quality of life of the workforce and their families as well as the local community and society.

Business Principles

To constantly innovate and train our manpower in improving our standards to stay ahead of the competition by fair business practices.

To follow and excel local and international environment standards to give our future generation a better and a beautiful place to live.

Develop and maintain strong trusting relationship with our clients, suppliers and employees.

Uphold the time tested values of honesty, trust and personal integrity.

Design and Build

At Steadfast we have been delivering interior fit-out services to the satisfaction of our esteemed clients. The scale of our projects range from the bespoke fit out of an entire building to providing the finest finishing touches to even single rooms. We have extensive experience in every aspect of fit out and also have an international client base representing numerous industry sectors.

Design Process

1. Consultation with client
2. Site analysis
3. Space planning
4. Concept presentation
5. Detailed design and documentation
6. Construction of drawings
7. Final design submission

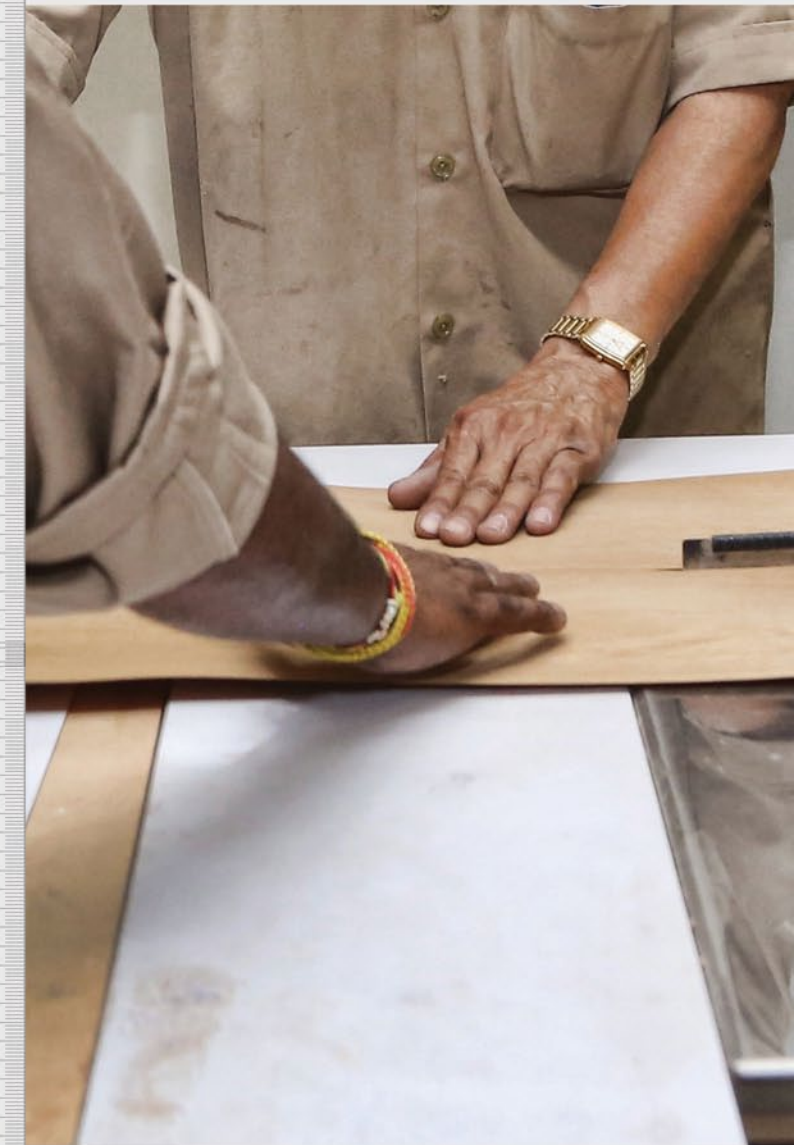

Steadfast offers a comprehensive range of competitively priced, high quality retail, restaurant and office interior fit out services. We undertake all types of joinery works including furniture, dry wall partitions, gypsum, wooden, metal false ceilings, civil works, solid surface fabrication and other related works.

Our professionals are experts in the installation of glazed walls made of toughened glass, safety glass, partitions and doors, stainless steel & aluminium fabrication etc. When it comes to cladding works of aluminium, glass, marble, wooden, granite, glass & mosaic, we are second to none.

Our proficient engineering team handles electrical works like cabling, installation of electrical fittings and equipment and commissioning. They also take up important role in the installation, inspection and termination of fire-fighting equipment like sprinklers, smoke detectors, heat detectors and installation, ducting and commissioning of air conditioning equipment etc. with ease & expertise.

“Thoughtfully engaged to shape your creative ideas to life”

Our Team

What sets us apart from competition is our team of experienced professionals with out-of-the box thinking to design and deliver fabulous interiors that we know you will love! Our people are resourceful, inventive and unbound by preconceptions. Our committed team takes pride in delivering quality, value and safety on all our projects - big or small!

The Steadfast team of professionals consists of engineers and technicians who are experts in their respective fields. Our engineers meet the clients to get a clear idea of their requirements. Our design and technical support team has designers with extensive software experience and deeper understanding of principles of design. They help the production team in delivering quality and high standard visual solutions.

07

Explore Our Expertise Retail

Our approach to retail shop fitting, refurbishment and retail fit out makes Steadfast one of the Oman's leading contractors for retail projects.

Our extensive experience in retail shop fitting includes planning, project management and fit out to create a highly effective brand experience for both the customers and the employees.

08

Explore Our Expertise Leisure

This sector is characterized by projects that will become destination venues in their own right and they typically require complex services, solutions. We build a perfect ambience suitable for socializing. Some of our largest projects are within this sector.

09

Explore Our Expertise

Commercial

In an increasing global environment, it is vital that the commercial or office design and fit out is aligned to the trend.

Whether opting for a contemporary style, a traditional executive feel or a bespoke solution, our furniture specialists can design and create a scheme which reflects the client's corporate identity.
